### TIGERS FINISH YEAR WITH FOUR WON, SIX LOST

By Bobby Inman

The Elba High Tigers closed their 1958 season with a loss to the high-flying Eagles of Carroll High School, Ozark, in Ozark last Friday, going down to a 33-13 score.

Ozark, fielding a fine team under coach Frank Reeves, outplayed the Tigers throughout and scored six every period. Going into the game, both teams had won four, Elba having a 4-5 record and Ozark had a 4-4 record.

Ozark's Billy Knowles, an all-state candidate for the Eagles, led the winners, and was well supported by wingback Leslie Walker.

### STOCK SHOW TO BE WEDNESDAY AT ENTERPRISE

A livestock show and sale will be held next Wednesday, Dec. 3, at the Enterprise Livestock Co., sponsored by the Coffee County Stockmen's Association.

A feature will be a calf search contest in which members of 4-H clubs will compete in a contest to determine who can catch a calf, halter it and put it in a pen in the least time.

There will be five calves in the scramble donated by the Elba Exchange Bank, the Farmers Livestock Cooperative Market, the Enterprise Livestock Co., the Citizens Bank of Enterprise, and the Citizens Bank of Enterprise.

Competing will be one member of each senior 4-H club and one from each Future Farmers of America chapter. Ownership of each calf will be retained by the donor until each successful contestant has led it and cared for it throughout the winter and returned it to the next livestock show and sale next Spring.

The Enterprise Chamber of Commerce is donating prize money for the showing with prizes to go to the best pen of three and best pen of five in each of the following three divisions: light, medium and heavyweight.

Any farmer wishing to enter the sale may do so by joining the stockmen's association.

### COFFEE CROPS FOR '59 WILL HIT NINE MILLION

With peanuts, poultry, hogs and beef cattle reaching an all time high, Coffee County farm income for 1958 will reach an estimated \$9 million.

While cotton has long been shunted into the background, the production this year of about 6,000 bales will enable the income from this source to exceed \$1,000,000. Soil bank payments of \$700,000 are added to this figure.

Coffee County's peanut crop, which may average out at 4,200 pounds per acre, will net the growers \$2,471,240. This is the top cash crop for the farmers in this county.

A sizable increase is noted in the beef cattle production which exceeded 3,000,000, but hog production more than doubled the beef cattle income. County Agent J. R. Speed estimated the hog income at \$2,158,600 and the income from the National Division of Classroom Teachers, National Education Association, at the speaker's table when 100 members of the profession from nine counties gathered at Elba High School cafeteria last week for the annual meeting. Mrs. Prescott presided and Mrs. Drago introduced Miss Stollenberg, the speaker of the evening.

### Teachers From Nine Counties Hear Nationally-Known Instructor Here

How teachers can contribute to the building of a better world was the theme of an address by Miss Duena Stollenberg, president-elect of the National Division of Classroom Teachers, National Education Association, at the annual meeting of District 3, Classroom Teachers Association, last Thursday at the Elba High School cafeteria.

About 100 representatives were present from nine counties of the district composed of Coffee, Geneva, Crenshaw, Barbour, Houston, Pike, Henry, Dale and Covington counties.

Mrs. Aitha C. Prescott, director of District 3, presided at the meeting which began with a banquet. Mrs. Eul Drago, of Mobile, state president of the Department of Classroom Teachers, introduced Miss Stollenberg.

"If teachers could develop a sensitivity to the way they affect others so they could always bring out the best in each person they meet each day, teaching would be easier, a greater joy and much more effective," said Miss Stollenberg.

"Creative teaching that brings about the enlightened mind, one of the best ways teachers can contribute to the building of a better world."

She listed the qualities of a good teacher:

1. Be happy with a genuine love for teaching;
2. have the basic strengths of democracy; work without rebellion;
3. inspire students to their best at all times.

Then she listed the great rewards of teaching:

1. The opportunity to observe the enlightened mind;
2. the thrill, challenge and excitement of working with young people, never knowing pride in seeing and being a part of increased educational opportunity for all the children of all the people;
3. the association with wonderful people who are devoted and dedicated to the task of serving others; from being a part of the National Education Association, state and local associations; and comes from being in a position to really have faith and confidence in the young people of our country.

She emphasized that there are many responsibilities teachers have as individuals, but as a member of a great professional team there is even greater opportunity to contribute towards the preparation of good citizenship.

### YULE LIGHTING CONTEST TO BE HOLIDAY EVENT

The Elba Jaycees are sponsoring a Christmas lighting contest to be held on Saturday, Dec. 20, in the public square.

Anyone living within the city limits is eligible to enter. An entry blank or post card must be mailed not later than Saturday, Dec. 20, to qualify. Two types of entries are acceptable: Home entries and business entries. Entrants must designate on entry blank the post card which part of the contest. Mail the entries to Dr. W. M. Ringsdorf Jr., Elba.

The entries are to be graded on their artistic merit, originality, lighting techniques and ingenuity. Judging has been scheduled for Monday, Dec. 22, and Tuesday, Dec. 23 during the hours 6:30 to 9:30 p.m.

The time and place for recognition of the winners and presentation of awards will be announced later. See entry blank on page 5.

### STUDENTS GO TO DOTHAN CLINIC IN JOURNALISM

Five students and one teacher from Elba High and four students and one teacher from New Brockton took part in a journalism clinic at Dothan Tuesday last week.

Attending from New Brockton were Preston Lott and Martha Walls of the New Brockton Reflector staff, Barbara Helms and Janice Parker of the annual staff, and Mrs. F. P. Inman, faculty advisor.

Attending from Elba High were Frances Donaldson, Nattie Spurlin, Natalie Jones, Earl McCollough, Wayne Grantham, students, and Mrs. Helen McCollough, commercial teacher.

The clinic, the first of its kind in this area, was sponsored jointly by the Dothan Eagle and the University of Alabama and was held at the University Center in Dothan.

The clinic began with registration at 9:30 Tuesday morning after which talks were made by the Center Director, Charles O. Jones, Dr. High Taylor of the University of Alabama, and Ed Driggers, managing editor of the Dothan Eagle.

### BAPTISTS PLAN "M" NIGHT IN TWO MEETINGS

Chaplain Walter Griffin of Fort Rucker will be the speaker at the First Baptist Church in Elba, for the "M" Night Rally Monday, Dec. 1, at 7 p.m.

Chaplain Griffin, who holds the rank of Captain, is a native of Texas, and a graduate of Hardin Simmons University, and of the Southwest Baptist Theological Seminary, Fort Worth, Tex.

During the World War, he served for several years as Chaplain in the Far East and South Pacific. After the war he served as pastor in Louisiana. In 1953, he reentered active duty and served another tour of duty in Korea and the Far East. He has been stationed at Fort Rucker since September, 1955, where he is Administrative Assistant to the Post Chaplain, and Director of the Sunday School.

Two "M" Night rallies will be held by the Coffee County Baptist Association Monday evening. In addition to the one at Elba, a meeting will be held at the First Baptist Church of Enterprise. The attendance goal is 1200 at the two meetings. Dr. Davis Wooley of Howard College, will speak at Enterprise.

"M" Night (Mobilization Night) is held annually by the associations of the Southern Baptist Convention. The attendance goal of the 75 associations in Alabama is 50,000. For the entire Convention the goal is 700,000.

### Local Bank Adds 3 Teller Windows

Three more teller windows have been added to the Elba Exchange Bank to facilitate its services to the public and to lessen the time of patrons waiting in line.

This brings to eight the total number of teller windows in addition to the drive-in window in the rear of the bank where patrons may transact business without getting out of their automobiles.

The bank of Mrs. Mary Alice Lee, cashier, will be adjacent to the drive-in window.

Elba Exchange is the only bank in Coffee County with a drive-in.

### Christmas Eve Is Deadly On Roads

More fatal traffic accidents including more pedestrian deaths, happen each Christmas Eve than at any other comparable time of the year.

And the National Safety Council, which compiles holiday statistics, says that 6 to 7 p.m. on Christmas Eve is the deadliest hour both for drivers and pedestrians.

Darkness, bad weather, speed alcohol and pedestrian errors are the causes of the high toll.

### West Side Baptists Plan Victory Fete

The West Side Baptist Church now in its second year, will observe Victory Sunday next Sunday, Nov. 30, in keeping with a custom to so observe every fifth Sunday and members have invited friends and neighbors to attend services and stay for an old-fashioned community dinner on the church grounds. Congregations are invited to bring a contribution to the church's fund for the needy.

The church has set a goal to raise \$1,000 next Sunday to be paid towards its debt for the new auditorium. Sunday school begins at 9:45 a.m. and preaching at 11 a.m. Rev. Wayne Brannan is pastor.

### PERSE MOTORS NAMED County Buick Dealer

Perse Motors, in Enterprise, has been appointed Buick dealer for Coffee County and adjacent areas.

Perse Motors, dealer for Pontiac and Frigidaire for the county and with the addition of Buick will greatly expand its services in this area.

### GAGERS DRILL FOR OPENER IN FLORIDA DEC. 5

The Elba High School Basketball Team, starting its second year under coach Bill Travis, began practice Monday for the coming season, which will start Friday, Dec. 5, with Florida. The game will be played there.

The Elba team won 15 and lost 10 last season and will be out to better that mark this year. Returning from last year's varsity will be Jimmy Wise, guard, Tom Dyess, forward, and Britt Kelley, forward, all of whom were starters last season. With these three as a nucleus, Travis hopes to build a winning team, using last year's fine B team as the material.

The Tigers will play 30 regular season games and will participate in three tournaments. They will be the Hartford Christmas Tournament, the South Alabama Conference Tournament, and the Second District Tournament.

The Bee's, under coach George Grider, will play 20 regular games and will participate in one tournament, the first annual Bee Team South Alabama Conference Tourney.

### CEMETERY WORKING

There will be a cemetery working at Pine Level Saturday, November 29.

### GARDEN CLUB BAZAAR

A Christmas Idea Tea and Bazaar will be held at the Enterprise Recreation Center Dec. 2, from 3 to 5 p.m., and from 2 to 8 p.m. sponsored by the Enterprise Garden Club.

## SOIL CONSERVATION NEWS

By Donald A. Williams, Adm.

Carter Rhodes of the Kingston community made this comment concerning a field he is cultivating. "It's good land and makes good crops, but the terraces are so crooked and there are so many short rows that it is hard to work with a tractor."

Soil Conservationist T. C. Self walked with Mr. Rhodes over the field. It was decided that proper leveled waterways and parallel terraces would solve the problem. Terraces will be constructed in the spring with ACP assistance.

Last year Soil Conservation personnel assisted Carter with a drainage ditch, 30 acres of pasture land were drained. Recently when asked how well this ditch was working, he made the reply, "This is the best pasture I have ever had. Grass and clover was knee deep all summer. It was worth several times what it cost me."

**PAYMENTS UP**  
Social Security payments have been increased by about 7 percent, beginning with checks payable in February, 1959. In discussing this increase, Mr. Harry Scott of the Dothan district office of the Social Security Administration, points out that protection for families in the form of monthly income has become more and more significant with each change in the social security law.

Government laboratory tests show that walls sheathed with one-fourth inch plywood are twice as rigid and more than twice as strong as those sheathed with one-inch diagonal lumber.

## Get the Clipper Reading Habit

## PANIC IS THE STAMPEDE OF SELF POSSESSION

There are still a few diseases for which complete cures are to be discovered. But we have many research projects studying these problems and we know we will learn the answers.

Meanwhile, do not become alarmed when reading the symptoms of these well publicized diseases and imagine that you suffer from such a condition. Panicky fear can actually make you sick when there may be absolutely nothing wrong. Never believe you are seriously sick unless your physician tells you so. Always check with him when in doubt.

### Torpedoed Seaman Finds No Sorrow, No Fear, Only Peace At Death's Door

For many, many months of civilization hung in the balance. Some went out to battle the enemy on the land, in the air, on the sea and to them—

some all the honors a grateful American can bestow. Behind them was a home front where courage of a different sort made the war front victory possible. There have been times when men broke under the weight of new and unaccustomed responsibilities, long hours and trying labors.

But there was an arm of the national defense which did not wear the uniform of the armed services but which faced the same dangers, and whose wounded did not share in the veterans pensions, educational and other benefits.

That was the Merchant Marine.

Legs Hang Limp

"The cold wind-driven spray filled my eyes and mouth with salt water. The blood streamed from both my legs which hung limp beneath the shredded remnants of my trousers. All pain had left them except the jabbing caused by the protruding bones grinding against each other. My left arm lay useless revealing torn and mangled flesh with the lower arm bone protruding my fingers turned back up toward my elbow."

Those lines read like the reminiscences of a soldier, or sailor veteran of battle but actually they were penned, years later, by a member of the Merchant Marines who had left his home in Elba, gone to Mobile, and signed aboard a cargo ship destined to carry arms and ammunition for the invasion of Europe.

## Kittens, Mittens, and Life

"Three little kittens lost their mittens . . ." Bobby is thoroughly absorbed in the antics of the kittens. He will be pleased to discover that at the end of the story they find their mittens again. Like all children, he wants his stories to have happy endings.

But soon Bobby is going to find out that life's stories don't all have happy endings. Bobby is growing up, out of the land of fairies and elves, into the world of reality. Bobby must learn to meet sorrow with understanding, pain with courage, prosperity with thankfulness, defeat with hope, success with humility—he must learn to face life.

The Church School is waiting with open doors for Bobby, your Bobby. The Church School is prepared to show your children the best ways to make life a success. The Church School is ready to teach your children—in the language of children—the eternal truths of life.

**THE CHURCH FOR ALL  
ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a schoolhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The Johnson - Bradford nuptials will take place Dec. 5 at the bride's parental home.

## 16 Girls Initiated Into Girl Scouts By Candlelight

Wednesday, Nov. 19, 16 young girls were formally initiated into the Girl Scouts of America. In an inspirational candlelight ceremony, each girl lighted a small candle from the three large candles standing on the table which symbolized the Girl Scout beliefs. As the candles were lighted, the initiate repeated the laws of scouts. After reciting the pledge, the girls received their pins from Mrs. Luke English, one of the troop leaders.

Troop Number One is composed of 17 scouts. Previous to the candlelight ceremony, the 14 who had been Brownies were given "Wings" which signified their accomplishments in the Brownies before being eligible to be a Girl Scout.

Girl Scouts invested were: Carla Cook, Latane Cook, Janice Davis, Barbara Dunaway, Barbara Hawkins, Linda English, Brenda Eitzen, Janet

## Through the Keyhole

BY MRS. ROBERT CANNON

ENTERTAINING a group of ladies assembled on a November afternoon is no easy job and we thought that Miss Mable Brunson did a grand job of just that.

Original words to familiar tunes started the festivities, followed by Thanksgiving inspired games and orations. And a very sweet and heartfelt poem written to the honoree left us all a little dew-eyed.

Honoree was petite and pretty Gemma Ringdort, who was tastefully attired in a dress of soft blue styled with a short jacket and large collar. Her flowers were white carnations.

Mrs. Duke Tatum's home was lovely with fall caryanths in shades of lavender complementing the green and pink color scheme of her living room. The salad plate served to the guests later in the afternoon was decorated with miniature flags of the United States and Turkey, Gemma's homeland.

Mrs. G. P. Mathis presented Gemma with a lovely gift of china in her chosen pattern from the hostesses and Leigh Tatum assisted with the serving.

Attending were: Joe Ann King, Vickie Brunson, bride-elect of Buddy English, Pat Williams, Doris Ringdort, Genette Kendrick, Peggy Devane, Helen Rainer, Dixie Dorsey, Denis Brock, Sue Hall, Janice Smith, Jo Ann Rainer, Mrs. Lamar Rainer Sr., Mrs. W. M. Ringdort Sr., Carolyn Patterson, Carolyn Brunson, Jean Vaughn, Dorothy Hill.

OUR CONGRATULATIONS go to Sammie and Jake Lubert Morrow who now have a fine little boy in the family. On Tuesday, Nov. 18, Jake Lubert II, arrived weighing in at nine pounds and seven ounces and looking every inch a Morrow, which pleases every one concerned.

Sammie and her new-born son should be at home by press time and we plan to be helping out with the rocking! We know just how happy these next years will be for the Morrows and we rather envy them the experience of a first baby in the family.

SEEMS LIKE YEARS ago that we went apartment-hunting, but we still remember how fun we had. And Vickie Brunson journeyed to Auburn last weekend to select the first home she and Buddy English will establish after their marriage, which will be an event, which will be an event, which will be an event.

The Elba Jr. Music Club met Nov. 17 at the home of Miss Susan Murphree, with co-hostesses, Misses Patsy Sellers and Polly Ann Clark.

The meeting was called to order by the president, Jeanice Paul. The secretary called the roll and read the minutes. The club decided to contribute to a \$400.00 gift scholarship to Transylvania Camp at Braxton Music Center, Braxton, N. C.

A scrapbook committee was appointed to start a 1958-59 scrapbook.

The committee is: Henrienne Dorsey, Yvonne Bryan, Cecilia Burkett.

Sandra Farris, program chairman, took charge. Natalie Jones gave an interesting report on "Jazz."

Jeanice Paul played a piano solo "12th Street Rag." A musical combo consisting of Jeanice Paul, Patsy Sellers, Janet Warr, Rheta Ann Crook, Henrienne Dorsey, Ella Kate Allen, Yvonne Bryan, and Mrs. Robert Hall played "Chattanooga Shoe Shine Boy."

The refreshments were served by the hostesses to the following: Mrs. Robert Hall, sponsor; Ella Kate Allen, Yvonne Bryan, Cecilia Burkett, Olive Canley, Paula Nan Smith, Rheta Ann Crook, Henrienne Dorsey, Virginia Lee Dorsey, Margaret English, Sandra Farris, Sandra Ford, Suzanne Hayes, Lavinia Holloway, Natalie Jones, Jeanice Paul, Julie Pearce, Cathy Roberts and Janet Warr.

All poultry and poultry products must be frozen for sale after Jan. 1, 1959 must be inspected by an agent of the U. S. Department of Agriculture.

"Clean as a whistle. No guesswork!" "That's what I call real comfort!" "It's done 'em over!"

Just like a Thunderbolt!

89 Ford Fairlane 500 Club Victoria... one of the 19 new Fords that ride on TIREA cord tires.

**Ford beauty pays you extra dividends in comfort**

Plenty of leg room... There's plenty of stretch-out room, in both front and rear seats—even for long-legged six-footers.

New head room—even hot room... Ford is spacious. Unlike the major competitor you can wear your hat, front seat or back.

6 Passengers, not just 4, ride in comfort... Ford's seats are softer, thicker. And the man in the middle doesn't "bottom out" on bumpy roads as in many other cars.

Wider doors for easier entry... Ford doors are wider than the top competitive make... and have convenient 2-stage door checks.

Easy to use trunk space... Ford's deep-trunk opening lets you load or unload with far less "lift" than competition.

A frame that surrounds you with safety... Everyone rides within the protection of Ford's solid wide-base frame. You will get this protection in any other low-priced car.

## LICE SELECTIVE OF WHOSE HAIR THEY GET INTO

By W. A. Haffin

AUBURN—The most distressing call that I ever had for help in the control of insects came from a young mother living here in Auburn.

This call came early on morning, and the voice, just above a whisper said, "I am afraid that I'm going to have to let my servant go because I found some lice in my baby daughter's hair."

Knowing how difficult it is to get good help, I asked the caller if she had a dog the child played with? The answer was "yes". I suggested that she look at the dog's ears and see if she could find insects there that looked like those she had found in the baby's hair. Within five minutes the phone rang again and a very happy voice said, "yes, the dog has lice, too". Of course, I made suggestions for treating the dog and the baby, and everyone was happy.

There are many kinds of lice, and these insects are really choosy in selecting their hosts. There are those that prefer to feed on human beings and others that feed on birds, cattle or other stock.

### NINTH BIRTHDAY

Miss Linda English celebrated her Ninth Birthday Thursday, Nov. 26 with a large gathering of friends coming to the

American Legion Hut to say "Happy Birthday." The festive turkey paraded across the tablecloth and napkins and the cake was artistically decorated in fall colors. Mrs. James English assisted Mrs. Luke English in the serving of 27 youngsters.

"Hmmm—now there's an item that 'cost-push-inflation' hasn't affected too severely!"

Though he fall, he shall not be utterly cast down; for the Lord upholdeth him with his hand.—(Psalm 37, 24.)

Be a man's thoughts and acts ever so evil, he is not beyond redemption as long as he earnestly reaches out for the hand of God. It will never be withdrawn from him as long as he contritely seeks forgiveness.
